MS. SUSAN KRAMM, RUTGERS ENVIRONMENTAL LAW CLINIC.

The above-mentioned speakers addressed the Members of the Municipal Council in support of development of a stadium/arena but opposing the blighting of residences and businesses within the area.

Council Member Booker read the following memorandum from Mr. Alfred L. Faiella, Deputy Mayor and Director, Department of Economic and Housing Development:

"The Memorandum addresses your concerns raised regarding the designation of the attached area as "an area in need of redevelopment." In accordance with the statute which governs this process (N.J.S.A. 40A:12A-1 et seq. "Local Redevelopment and Housing Law"), please be advised that the Resolution being offered for consideration by the Municipal Council as a result of the Central Planning Board's determination that the area described in the list attached hereto be designated as "an area in need of redevelopment" merely represents a first step in the process which must be accomplished prior to implementing a Redevelopment Plan for the area. It is important for you to know that the Local Redevelopment and Housing Law separates the designation of an area as one in need of redevelopment and whether or not private properties in that area will be acquired. At this time, it would be premature to consider acquisition of any privately owned properties in the area when the minimum statutory requirements set forth in N.J.S.A. 40A:12A-4 have not been met – namely, the designation of the area as one in need of redevelopment.

As to the Resolution presently before you, should the Municipal Council accept and approve the Planning Board's determination that this is an area in need of redevelopment, a Redevelopment Plan for the area will be drafted which this department will ask the Council to approve by Ordinance. At the time of the redevelopment plan, a preliminary determination will be made as to whether properties in the area will be subject to condemnation and the Redevelopment Plan will affirmatively state the City's intentions. Even after passage of a Redevelopment Plan there are several additional steps, which must be accomplished before the City would consider any properties in the area."

President Bradley established an Arena/Stadium Committee with Council Member Amador as Chairman, and Council Members Booker and Quintana as Members.

The motion was declared adopted by President Bradley by the following votes:

Yes: Council Members Amador, Carrino, Bridgeforth, Chaneyfield Jenkins, Quintana, Tucker, Walker, President Bradley.

No: Council Member Booker.

WHEREAS, in accordance with the terms of Section 37 "Section 37") of the Act (N.J.S.A. 40:37A-80) and the Series 1999 Bond County Guaranty, the County shall be obligated, if necessary, to levy *ad valorem* taxes upon all the taxable property within the County without limitation as to rate or amount to make the timely payment of the principal of (including mandatory sinking fund installments, if any) and interest on the Series 1999D2 Bonds;

WHEREAS, in accordance with the terms of Section 37 ("Section 37") of the Act (N.J.S.A. 40:37A-80) and the Series 1999 Bond City Guaranty, the City shall be obligated, if necessary, to levy *ad valorem* taxes upon all the taxable property within the City without limitation as to rate or amount to make the timely payment of the principal of (including mandatory sinking fund installments, if any) and interest on the Series 1999H2 Bonds;
